## Education

**MBA in Finance • Nigama Engineering College Karimnagar** **Sep 2014 - Dec 2017**

Finance • Grade: 65%

Education:

MBA in Finance, from Jawahar Lal Nehru University HYDERABAD in , 2017

I graduated with an MBA in Finance from JNT University in 2018. During my studies, I developed a comprehensive understanding of financial principles, corporate finance, and investment analysis. I utilized this knowledge to complete various projects that required the use of financial analysis tools and strategies. I also collaborated with my peers to present business cases with financial implications. My coursework provided me with the necessary insights to effectively interpret financial reports and identify investment opportunities. I am confident my education has equipped me with the necessary knowledge and skills to excel in a professional financial environment.

**Bachelor of Commerce(computer applications) • Vaageswari Degree College, Karimnagar** **Jul 2011 - May 2014**

Commerce and Computers • Grade: 74%

Achieved commerce degree from the University of Satavahana, Karimnagar in 2014 at Vaaghswari Degree College.

**Intermediate • Masters junior college Karimnagar**

**Aug 2009 - Mar 2011**

commerce • Grade: 65.7%

Attained +2 from Masters junior college karimnagar

**SSC • Sri Vidhya Nikethan High School Bejjanki**

**Apr 2001 - Mar 2008**

10th class • Grade: 74%

I have successfully completed 10th grade with excellent results at ABC School.

At Sri Vidhya Niketan High School, Bejjanki.

I achieved exceptional results in 10th grade, earning top grades in all of my subjects. My hard work and dedication enabled me to excel in the classroom and I was recognised with awards for my academic excellence. I was motivated to continually challenge myself and further my academic knowledge, resulting in a high level of success.

## Projects

**PORTFOLIO WEBSITE**

**Jan 2023 - Present**

- Developed a self-portfolio website showcasing a range of skills, achievements, and projects.
- Constructed the website using HTML, CSS, and JavaScript.
- Implemented a modern design and user-friendly interface.
- Utilized responsive design techniques, ensuring an optimal viewing experience across all devices.
- Enhanced the portfolio with animations and interactive elements.
- Adopted a 'mobile-first' approach to design and development.
- Optimized the website for improved performance and search engine visibility.
- Crafted a portfolio that is visually appealing, inspiring, and engaging.
- Embedded media such as video and audio.
- Featured blog and tutorial sections for project documentation.

**RANDOM PETS APP USING APIs**

**Feb 2023 - Present**

- Developed a random pets API app that utilizes modern technologies to provide users with a fun, interactive experience
